## Stylish, Versatile, Timeless

Chameleon entertainment cabinets uniquely combine craft + technology in stylish, sophisticated designs that respond to customers' individual needs and tastes. Developed as AV furniture solutions, Chameleon cabinets are constructed of premium components with exceptional attention to detail, reliability and durability.

Chameleon entertainment cabinets are available in four handsome styles - **Geneva, Sonoma, Berlin, and Hampton** - all with extruded aluminum frameworks that conceal high-tech accessories.

**Removable Rear Panels**  
for fast, easy access to component jacks

**Extruded Aluminum Framework**  
that keep high-tech accessories hidden but handy

**Solid Wood Doors**  
with soft-closing dampeners

**Infinitely Adjustable Shelves**

**Ventilation Louvers**  
in the bottoms of cabinet segments

# Geneva

Geneva's solid frame-and-panel doors, sculptural wood feet, and Medium Walnut finish create a timeless look that elegantly blends with numerous furniture styles.

323

221

**Designer Footing**  
options enrich style  
from the ground up.

# Hampton

At home almost anywhere, Hampton cabinets are like fine antiques, with distressed Black finishes and details recalling the finely crafted furnishings of colonial homes, the hallmarks of American success.

236

329

323

221

# Sonoma

Sonoma, a Mission-influenced style, has doors that contrast vertical wooden strips with black, micro-perforated metal inserts. Its American Cherry tone and relaxed look work especially well in transitional rooms.

339

337

336

237

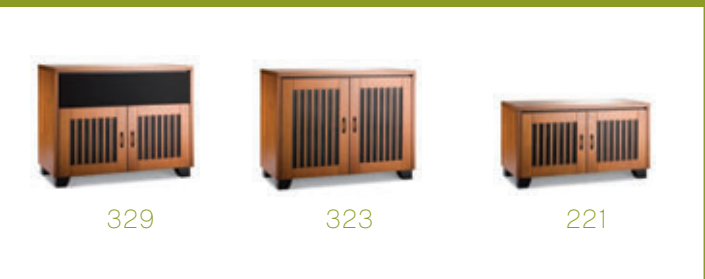

236

**Speaker Grilles,**  
attractively conceal center-  
channel speakers, plus: easy to  
install, easy to remove.

329

323

221

# Berlin

Faced in Wenge, a dark exotic wood, Berlin cabinets exhibit a sophisticated, richly textured grain. Sleek black glass tops complete a look that's decidedly metropolitan and perfectly suits contemporary rooms.

339

337

336

237

236

**Media Drawer,**  
keeps media and  
electronic accessories  
hidden but handy.

collection

Chameleon cabinets in all four styles come in **eight convenient configurations** designed for a broad range of personal, decorative and entertainment needs. The configurations include models with two or three doors either 20 or 30 inches high, extra space for a center-channel speaker or another *AV* component, and adjustable shelves.

64.75"W x 33.75"H x 21.25"D

64.75"W x 33.75"H x 21.25"D

64.75"W x 31.25"H x 21.25"D

## Add High Technology to High Style.

**Media Trays**, slotted to hold a selection of DVDs and CDs upright, fit neatly behind a door.

A **Plasma-Proof IR Repeater System** allows any hand held remote to control AV components positioned behind Chameleon's solid doors.

**Designer Footing**, options provide style and mobility.

All Chameleon cabinets accept our fully integrated **Universal Flat-Panel Mounts**, which have optional brackets for front-channel speakers.

A **Power Conditioner**, simple to install and hidden in place, filters AC current, smoothing variations that diminish picture and sound quality.

An **Active Cooling Kit** with thermostatically controlled fans replaces a rear panel and prevents heat build-up.

Salamander Designs' broad lines of **Flat-Panel Mounts**,  
**Home Theater Seating** and **A/V Furniture Systems** —  
all designed to work together exceptionally well.  
Speak with your Salamander dealer to create  
your media room your way.
